20) Now that the Tasdiks and Savings of the abolished chattrams and rest houses have been invested and the interest formed into a 'Chattram Savings Fund', the only source from which an add. grant can be sanct. for these temples is from this fund. A sum of nearly 9000 Rs accrues to this fund in the shape of interest annually, and what is required = only Rs 376-11-0 per year out of this amt.

Sir,

Muzg. 19-24-7.

With reference to your letter No.948/M.F.10-24-6 dated 26th December 1924, in the matter of the extra grant for the benefit of Sri Someswara and Kolaramma temples at Kolar, I have the honor to submit herewith copy of letter R.H.C.No.769/23-24 dated 18-11-24 together with its enclosures from the Deputy Commissioner, Kolar District, furnishing information as to the present scale of receipts and expenditure of -- these two temples and how far a revision is necessary and the additional grant required from Government for the purpose.

2. I beg to add that it seems unnecessary to mix up chattram savings with additional grants for temples, the two being separate.

I have the honor to be,

Sir,

Your most obedient servant,

Letter No.H.C.769/23-24 dated 16th November 1924 from the --- Deputy Commissioner, Kolar District to the Muzrai Commissioner in -- Mysore.

"In continuation of my letter No.RHC.769/23-24 dated 30th October 1924, regarding an annual cash grant for the Sri Someswara and Kolaramma temples at Kolar, I have the honor to submit herewith Kolar Taluk Amildars report No.H.C.332/23-24 dated the 4th instant submitting a copy of the proceedings of a meeting of the Dharmadarsis of the said institution held on 3-11-1924 and to state as follows:--

2- The Dharmadarsis have fully set forth the reasons for an absolute necessity to raise the status of these sacred temples to that of a minor institution. The income of the temples from the land endowment as well as the annual cash grant is only Rs.115-5-0. The whole expenses of -- Nityakatle, Hetchukatle and other sevas including the car-festival are borne by the devotees at present. As the income of the temples is too small, it has been found impossible to carry out the sevas in a regular and satisfactory manner.

3. According to a scale of expenditure drawn up by the Dharmadarsis after careful consideration, it is found that the gross expenditure -- comes to Rs.560/- per annum. The Dharmadarsis being respectable ---- citizens of Kolar, I beg to state that their representation is reasonable and deserves the sympathetic consideration of Government. They suggest that out of a yearly savings of Rs.1,256/- effected by the abolition of the Annachattrams at Kolar and Malur a sum of Rs.445/- may be added on to the present cash grant of Rs.65-5-0 of the temples, so that the latter may get an annual cash grant of Rs.510-5-0 from Government. If this sum cannot be provided for these temples, I beg that at least a sum of Rs.376-11-0 per annum may be granted for these temples in order that the following scale of expenditure may be adopted.

		Monthly
(a) Nityakatle:--	Rice, Ghee, Camphor Etc.,	Rs.1-0-0
	Oil for lighting	" 2-8-0
	Pooja dravya	" 1-0-0
		Rs. 4-8-0

or Rs.102-0-0 annually.

(b) Hotchukale:	Yugadi	Rs.	2-0-0
	Dhanurmasa	"	5-0-0
	Navarathri	"	6-0-0
	Kartika.	"	4-0-0
	Sivarathri	"	3-0-0
	Clothes.	"	10-0-0
	H.H.the Maharaja's Birthday.	"	2-0-0
			32-0-0 annually.
(c) Establishment.	Archak's pay.	"	8-0-0
	Mantrapushpa	"	1-0-0
			9-0-0 or
	Rs.108-0-0 annually.		
(d) Car festival expenses:			200-0-0 annually.
Reserve for repairs.			50-0-0
			250-0-0
Grand total expenditure -- -- ---			492-0-0
Deduct Rs.115-5-0 the present income from the cash grant and the inam lands.			115-5-0
Net amount to be now endowed to the temple.			Rs376-11-0

It will be seen from the above that a sum of Rs.376-11-0 per annum is the minimum amount necessary for conducting worship in a reasonably satisfactory manner. If Government are pleased to sanction this amount, the necessity of sanctioning the sum of Rs.150/- per annum from other institutions on account of the Car festival of this institution (which is now in vogue (vide G.O.No.486-8/Muz.733-16-2 dated 9-8-1919) will also be avoided.

4. As already reported by me, this is a very ancient temple commanding a wide circle of devotees. The latter have done a great deal to renovate the institution, which only a few years ago had been found imbedded in a debris of mud and a rich devotee has also recently endowed the temple with a car at a cost of Rs.5,000. We are also prevailing upon him and other devotees to put up a car shed and to arrange for other necessary services. In spite of this endeavour towards self-help, we find it absolutely impossible to maintain this institution in a condition worthy of its antiquity and sanctity, and I respectfully and earnestly recommend that an annual grant of Rs.376-11-0 in addition to the sum of Rs.65-5-0 which is already granted may (as already very kindly recommended by you) be recommended for the kind sanction of Government."
